Art Unit 118

The following is an Examiner's Statement of Reasons for Allowance: Upon further review the existing claims are found to be allowable in view of the existing novelty seen in the manner as set forth in the instant composition and sequence of method steps as recited. e.g., the art of record does not teach nor suggest applicants claimed fillers materials, moreover, the instant invention teaches the use of a resinous bonded composition in contrast to vitreous bonds taught by the prior art of record. The remaining sequence of steps are not taught by the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
